

MIDDLE SCHOOL A.S.A.P. APPLICATION

Dear Parent,

2014/2015

Beginning Monday, August 18th, our school district will resume the **After School Achievement Program**, entitled **ASAP**. At the middle school, students can take advantage of a variety of activities; after school tutoring, homework help, computer lab, extended library and enrichment in Science, Technology, Engineering or Math (STEM). The nights are as follows: Monday- Math, Tuesday – ELA/Reading, Wednesday – Science, and Thursday – Social Studies and Friday is for all subject areas. Even though certain nights have a designated emphasis, students can work on any course any evening.

We will have **ASAP** each day, Monday through Friday, in the mornings starting at 6:50. And after school programming is 3:10 - 5:10 p.m. The building opens in the mornings at 6:50 for Computer Lab and Library. The Homework room opens at 7:20. We will periodically offer STEM enrichment and flyers will be sent home when they are offered. A free nutritious snack will be offered daily in the after school session.

There is no ASAP on the early out days or during Parent Teacher Conferences. We will be open on the following holidays, Columbus Day, Election Day, Veterans Day, Martin Luther King Jr. day, & President's Day if school is in session. All students must be picked up by 5:10 or ride the ASAP bus to designated drop off locations listed below.

All students attending any after school program must enroll in ASAP; this includes students attending the tutoring programs, enrichment and homework.

Any student sent to the office for discipline problems will receive a warning for the first offense, be placed on probation for the second offense, and be removed from the program for four weeks if there is a third offense. This will include incidents on the ASAP bus.

If you would like your child to attend this program please complete the form below and return to Cindy Simpson. Please contact me if you have any questions at 562-7558.

Mr. Kevin Coffman

Child's name _____ DOB _____ Grade _____

Address _____

Phone # _____ Emergency # _____

Email Address: _____

Please circle the day/days they will attend:

Monday Tuesday Wednesday Thursday Friday
